

The Southwest Shootout tournament is blessed to be held in the Land of Enchantment. Mid to low 70's, for tournament play, with little wind. The course was in great shape with the US Open qualifier to be played a few days after the Shootout.

Day 1 was a scramble, day 2 was modified alternate shot and day 3 finished with best ball. We had games for the first two days with day-money payouts for low net and low gross skins and placement. Also, CTPs on all par threes for all three days were paid out.

Well, the team of Todd Ziegler and Kasy Orr came in as defending champions and left as repeat champions. Congratulations to Todd and Kasy for their fine play and sportsmanship. Three-peat next?

A shoutout to Zachary Trujillo and Gabe Rodriguez as the new young bloods to our tournament. Also thanks to our participants returning to the Shootout and all of our tournament sponsors and flag sponsors. You are the life blood to the longevity of this tournament that was first held by Dave McCall in 1994.

2025 Southwest Shootout is projected for May 7-9. Mark your calendars.

Donald Lightburn and Dino McCall look forward to seeing old friends and new friends at our next event.
